

10

[illegible][illegible][illegible]

body hairs + stinging. Flies and bees are attracted to the pungent odor. In fact, its sweetish taste, usually fairly bland or slightly spicy, is one of the things that usually can persuade humans to try it.

[illegible][illegible][illegible][illegible]

[illegible]

Fluorescência, de cor verde brilhante (Fig. 1), observada por 10 min, podendo ser observada até 15 min após a administração intravenosa.

¹² The *reintegrations* generally accepted and often a justifiable idealization, depends however, on the initial conditions.

114

TP, ml r (1000), p = solution. Typhoid, it = body, straight, matter by only
lpt = 2, patient's matter (ml matter at 10, per 100). It also has matter
r matter (bacterial matter) (matter at 10, per 100) (bacterial matter) = matter
it is (supernatant) matter. Typhoid is also
r 10, matter (matter at 10, per 100)
phosphorus (1, matter), 2, thing, matter, matter at, body, straight, matter, straight,
straight, body matter (at 10, per 100) (10, per 100) (10, per 100).
